1st Verse

His name is Funky Chicken
Yes he's the most unique
Gets up to some mischief
But he's quirky and he's sweet
He's only very little
No not so very tall
Struts around loud and proud
With a very odd call

Chorus

FUNKY CHICKEN
FUNKY CHICKEN
FUNKY CHICKEN
FUNKY CHICKEN

2nd Verse

Old crock is rather sneaky
He'll give you quite a fright
Watch his lips a lickin'
Be careful of his bite (SNAP!)
There's cheeky kookaburra
In treetops way up high
Watching out for friend and foe
Laughs all day and night

3rd Verse

Kookaburra laughs *ha ha ha*
Funky Chicken flaps *flap flap flap*
Crocodile snaps *snap snap snap*
Do the Chicken dance
Kookaburra laughs *ha ha ha*
Funky Chicken flaps *flap flap flap*
Crocodile snaps *snap snap snap*
Do the Chicken dance
